WWW.BLCORPORATIONS.COM

BL Corp is a international logistics holding services company with over 25 years of experience. Our goal is to simplify and integrate the supply chain by providing end-to-end solutions all in one place.

MISSION

Among our main assets are our founding partners, who bring over 25 years of experience in various markets. They offer expertise in commerce, marketing, business organization, and business management. This expertise is backed by hard work, perseverance, and management capabilities, serving as the primary tools for achieving the proposed goals and fostering a successful business organization both commercially and humanly.

GOALS

- To increase sales.
- To be the market leader.
- To gain a larger market share.
- To achieve greater profitability.
- To satisfy our suppliers so that they can grow and prosper as the company does.
- To satisfy the consumer society, which increasingly demands higher quality at lower prices.
